low level nature of the site.

26. The Tr. Bd. has obviously taken into consideration the report of the Overseer referred to at para 24 above (Ft. 'A') for reducing the cost of the site by Rs 1/- per sq. yd.

and fixing it at Rs 8 per Sq. yd.

Please see the Chairman's letter d. 3/8/55 and the Tr. Bd resolution fr. D' wherein it has been indicated "that in view of the low level nature of Sites, No. 28, -- Sri. M. G. Paramasivaiah, allottee of the said site be shown concession in the value of the Sites ---"

27 The reasons attributed by the Tr. Bd for reducing the rate by Rs 1- per Sq. yd and the report of the Overseer stating that the cost of filling up works out to Rs 1866 - although the Asst Engr has not agreed in this view - lend support to the claim of the allottee that the rate be fixed at Rs 5 per Sq. yd, as the Site is not a levelled one, there being a fall of about 8 to 10 feet from the rear Side, of the Site wherein has to be filled up

6

and leveled as heavy extenditure.
The Chairman Tr. Bd, states however
in his letter d. 7/9/56 that there is
no need for the bank to level the
silt. Thus there appears to be
a controversy about the true
level of the silt. It is therefore
desirable to ascertain the silt
and arrive a decision

28 In similar cases, the ministry
in L S G was cleared to instruct
the silt and pass orders reducing
the rates if found reasonable.
In this case also, the same
procedure appears necessary

To

The Honourable Minister
for Local-Self Government,
Government of Mysore, Bangalore.

Respected Sir,

Subject:- Reduction in site value in respect of Site No.28, Kumara Park (West) Extension)

Government were pleased to sanction the said site to me at an upset price of Rs.9/- (Rs.Nine) per square yard. After examining the site, finding that the said site is not a levelled one and that there is a fall of about 8 to 10 feet on the rear side of the site, it was represented to the Chairman, City Improvement Trust Board, to recommend reduction of the site value (a copy of the representation is herein enclosed for kind perusal). On this representation I have been issued an Endorsement to the effect that it is not possible to show any reduction.

LSG Secy. May be sent to the Chairman, T.B. Board for a report.
13/1/55

In this connection I would like to bring to your kind notice that as I have already represented to the Chairman, City Improvement Trust Board, the site granted to me is not a levelled one and I have to spend heavy amount in filling up the site on the rear side. I would also like to bring to your notice that Government have been pleased to sanction better sites in the same locality at a considerably lower rates. Sites in the same locality have been disposed of at rates varying from Rs.3/- to Rs.6/- per square yard. All these aspects seem to have not been considered by the Chairman, while endorsing me in this respect. I pray you kindly to reduce the site value to not more than Rs.5/-, considering the circumstances represented by me and by extending the same concession shown to many other grantees in the said locality.

Hope my request will meet with sympathy and favourable orders.

Yours faithfully,
Paramasivaiah

Sir,

Sub:- Reduction of site value in respect of Site No.28 Kumara Park (West) Extension.

In continuation of my previous application dated 8th January 1954, requesting you to kindly reduce the site value in respect of Site No.28, Kumarapark(West) Extension sanctioned to me at Rs.9/- per Sq.Yd., I write to bring to your kind notice, that the said site granted to me is not a - - levelled one and there is a fall of about 8 to 10 feet on the rear side of the site which requires refilling and levelling and it involves heavy expenditure. It may be incidentally mentioned here that even better sites have been sanctioned in the same locality for less than Rs.9/- per sq.yd.

In the above circumstances and also and considering the present market rate, I request you kindly to reduce the rate, as has been done in similar cases to other grantees in the same locality.

Thanking you,

Yours faithfully,

Subject:- Representation of Sri M.G. Paramashiviah, B.A., LL.B., to show reduction in respect of Bungalow site No.28 in Ist Block Kumarapark West.

With reference to your letter No.L.13606 dated 12-2-55 forwarding a copy of the representation dated 10-1-55 received from Sri M.G. Paramashiviah, B.A., LL.B., allottee of site No. 28 in Ist Block Kumarapark West Extension requesting to reduce the rate from Rs.9/- to Rs.5/- per Sq.Yd., I write to state that site No.28 is well situated on the 80' main Road and though it dips towards the rear there is no need to level it up and raise the ground level to that of the road as a sewer line has been laid out at the rear of the site.

In view of these considerations no reduction in the value of the site can be shown as the rate charged is reasonable.

The rates at which the adjoining sites viz., 26,27,29 and 30 in Block I of Kumarapark West Extension are sold are noted below:-

Site No.	Rate at which sold.	Remarks.
26	Rs.9/- per Sq.Yd.	Allotted to Sri H.N.Pallegar.
27	Rs.15-13-0 per Sq.Yd.	Allotted to Sri S.S. Iyengar.

Sir,

Subject:- Reduction of site value, of site No.28 Kumara Park (West) Extension.

S-S R-S 20/8

In continuation of my representation to the Hon'ble Minister for Local Self Government praying for reduction of the site value now fixed, on the ground that the above mentioned site is an uneven one etc., I write to submit that there is a fall of about 8 feet on the rear side of the site. The average height requiring earth filling will be about 4 feet and it involves an extra expenditure of about Rs.3000/-. Another extra item of expenditure will be towards extra foundation. Even taking into account only the building area of 60 x 100 and the average height of extra foundation @ 2 feet, the extra expenditure to be incurred towards this item of work will be to the tune of Rs.9000/-. Nearly Rs.12000 will be an extra expenditure which will work out to Rs.12/- per square yard. The site has been allotted to me @ Rs.9 per Sq.yd. and including the extra expenditure, the total comes to Rs.21/- per square yard.

In the above circumstances, and in view of the fact that the sites in the neighbourhood have been granted to others at a considerably low rate, I pray that the site value of my site may kindly be fixed at the rate of Rs.5/-.

Thanking you,
